

Cookie Policy

This site uses 'cookies'. These are small information files that are automatically stored on the hard drive of your computer. This information makes your visit to the site faster and more efficient.

In this cookie statement, Puratos explains which cookies its website uses and why. You will also receive information on how to check this as a visitor. We would like to guarantee your privacy and the user-friendliness of our online services.

1. What are cookies?

A cookie is a small data element that the website stores in your web browser when you visit it with your computer, tablet or smartphone. It makes it possible to recognize you as a visitor. It stores your personal settings and preferences, such as language preference, so you don't have to select it every time. Most cookies increase your ease of use.

Some cookies can also be placed by a third party. If you do not want a website to place cookies on your device, you can change the settings of the browser. This is explained in more detail in the next section.

2. How do you disable cookies?

You disable cookies in the browser you use. Click on the name of your browser to find out more about how your browser works:

Microsoft Edge

Google Chrome

Firefox

Safari

If you disable cookies, certain graphics or applications on the website may not work as well. We try to limit this as much as possible. However, certain elements of the website require the use of cookies.

3. Types of cookies

Cookie Name	Type	Purpose	Duration
admin_token	Strictly Necessary (Technical)	Used to authenticate the site administrator and enable access to the backend for content management and site editing	Session
